

## **Rumba/Inside Passage is seeking a Bar Manager to help lead our team!**

Rumba/Inside Passage is looking for a Bar Manager to help oversee our team. We are looking for a self-motivated leader who works behind the bar and has a strong understanding of cocktails, ingredients and flavor profiles. This person will help create, run and maintain the cocktail program for both Rumba and Inside Passage.

**The ideal candidate will have a strong knowledge of rum including rum history, rum brands, rum flavor profiles, etc.**

This is an hourly, tipped position and the bar manager is be expected to work 4-5 days a week including 2-3 shifts behind the bar.

### **Some of the things we are looking for is a leader who ...**

- can create unique, balanced cocktails which work with liquor cost goals.
- can oversee and curate a 750+ bottle rum list.
- creates a positive working environment for the entire staff while still maintaining an attention to detail our guests expect.
- understands the goal of Rumba/Inside Passage is to exceed the guest's expectation and is willing to go above and beyond to ensure they are happy.
- thrives in an extremely busy bar daily without getting overwhelmed.
- understands bar costing principles and can meet monthly budget goals for liquor cost and size of liquor inventory.
- be a problem solver when issues come up.
- has a solid understanding of buying & optimizing quantity discounts, while remaining conscious of cash flow.

### **Duties & Expectations include:**

Works at least 35-45 hours a week, 4-5 days per week, including 2-3 bar shifts.

Responsible for weekly ordering of wine, beer, liquor & other cocktail ingredients.

Code and turn in liquor invoices to the bookkeeper weekly.

Counts end of month inventory with help from other managers.

Helps oversee the bar/server team and their responsibilities (cocktail development, rum education and procurement, canned cocktail program, batched cocktails)

Assists GM to provide accurate payroll numbers to the bookkeeper twice a month.

**Compensation:**

Hourly pay depending on previous experience.

Tips when working shifts behind the bar.

Potential for quarterly bonuses if bars are profitable and beverage cost goals are met.

Health Insurance (50% paid by employer)

Free Meal Credit During Working Shift

....if working in an underwater, sunken ship while overseeing one of the world's largest rum inventories and overseeing a party every night sounds like fun... please apply!
